combination that offers versatility and flexibility to meet the needs of a modern family.

To enhance the enjoyment of outdoor living, this property boasts two beautiful timber decks. One deck is located off the main bedroom, offering a serene spot for morning coffee or a peaceful retreat in the evenings. The other deck extends from the living room, providing the perfect setting for entertaining guests or hosting family barbecues.

Inside, comfort is assured year-round with ducted reverse-cycle air conditioning, allowing you to create the ideal temperature for every season. Additionally, the property is equipped with 8kW solar panels, promoting energy efficiency and reducing your environmental footprint.

Other noteworthy features of this home include a double lock-up garage, a garden shed for convenient storage, a delightful kids' play cubby house, and garden beds ready for your green thumb to create a personal vegetable garden. The front lawn already has a water system installed, simplifying the maintenance of your outdoor space.
